MERRY CHRISTMAS

# CARBON!

No.

"TO BUILD AND NOT DESTROY" - Bach

Dec. 21, 1961

FROM "CHRISTMAS BELLS" ...

"I heard the bells on Christmas Day  
Their old, familiar carols play,  
And wild and sweet  
The words repeat  
Of peace on earth, good will to men !

And in despair I bow my head;  
"There is no peace on earth," I said;  
"For hate is strong  
And mocks the song  
Of peace on earth, good will to men !

Then pealed the bells more loud and deep:  
"God is not dead; nor doth he sleep !  
The Wrong shall fail,  
The Right prevail,  
With peace on earth, good will to men!"

Longfellow

In Keeping with past traditions of non-conformity, we wish to publish letters from Santa Claus instead of the customary ones to Santa. Below are printed some of the best ones recieved by the

Santa Claus

Dear Jimmy;

You have been a good boy this year, defending everyone and all. So I will bring you 47 back copies of CARBON "7 (Fully explaining purpose of publication) and a public address system, to ease the strain on the old vocal cords.

Dear Charlie Robinson;

I am bringing you 3 more Conservatives for the Student Board, so your side can carry the vote.

SC

Merry Christmas Father ! Santa has noticed how hard you have been working this year. I thought I would give you a present to make your work a little lighter, so under your Tree find an electric eye guillotine.
